

Make your students more marketable

| one class | one price | one day | immediate profit center for veterinary practice |

The “Good Dog! ONE-der Class”

This class was designed for you. As a Veterinary school, you are training your Veterinarian Technicians and Veterinarian Assistants to be the best candidates entering the job market today. Yet most programs do not include Behavior Modification accreditation. With more than 85% of pet owners reporting behavior problems, you have an **opportunity to make your students more marketable during these tough times.** In just one day, your technician or assistant will have the accreditation to practice from within a veterinarian’s office and increase the **BOTTOM LINE!** Your students will be more valuable than others entering the marketplace as they come away from this 8-CE credit program with a roadmap to create an **immediately profitable Good Dog! business** in any veterinarian practice upon their graduation!

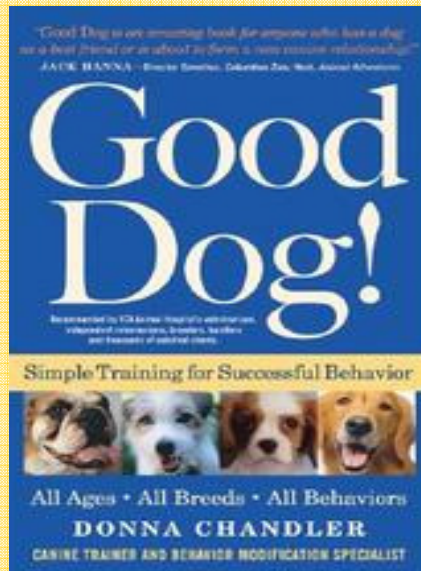

8 CE Credits

TBD
8am- 5pm
